

Buckhannon City Police

Volunteers In Police Service (VIPS) Program

2023 Annual Report

- **Membership and training**
 - VIPS began 2023 with seven active members, and had six deactivations during the year.
 - We trained nine new members during the year to end 2022 with 11 active members.
 - We continue to enhance our member training to align with the Commission on Accreditation for Law Enforcement Agencies (CALEA) and the Federal Emergency Management Agency's (FEMA) National Incident Management System (NIMS).
 - Our training covers ethics, basic medical, basic search and rescue, basic fire suppression, traffic and crowd management, basic and advanced disaster / multi casualty incident (MCI) management, as well as other topics and skills.
 - A current list of training requirements and recommendations is listed on pages 10-11.

- **Attended Events**
 - VIPS were requested for and participated in 204 public and private events in 2023 by providing traffic control, foot patrols, and enhancing public relations between law enforcement and our community. There was one public health related event and were no emergency responses. See pages 4-9 for a complete list of this past year's events.

- **Hours Volunteered**
 - In addition to assisting with the previously listed events, VIPS members also assisted the department with administrative tasks, business security checks and by performing ride along details with officers.
 - VIPS volunteered over 2793 hours during 2023, allowing officers to tend to other enforcement related situations during those hours and potentially saving the city almost \$75,000.00 in labor. (*Savings are calculated based on the current value of a volunteer hour for the state of West Virginia, which is \$26.67 according to www.independentsector.org. For comparison, the overall national value of a volunteer hour is \$31.80.*)
 - The attached chart on page 2 breaks down VIPS 2022 hours by month and member. Our annual hours are tracked from December 1 – November 30.

- **Presidential Volunteer Service Award program**
 - In an effort to recognize the service and dedication each of our members has, we participate in the Presidential Volunteer Service Award program. Information on the PVSA is attached on pages 9 - 10.
 - **Silver PVSA recipients** (250 – 500 volunteer service hours for 2022)
 - **Steve Wykoff** (441.50 hours)
 - **Jewel Fisher** (323.25 hours)
 - **Randall Tenney** (252.00 hours)

Rest In Peace, Edward - It is with heavy heart that our organization announces the loss of one of our members, Edward Brandt. Edward joined [Buckhannon VIPS](#) and [Upshur County CERT](#) in the spring 2023. A glazier by trade, Ed worked for Royal Glass in Whitehall. He had a strong sense of family and community. Ed worked with the CERT program in New York during the events of 9/11 and brought that experience to our local organizations. Our agencies will be forever grateful for having the opportunity to get to know and work with Edward. Our thoughts and prayers go out to his family during this difficult time.

The President's Volunteer Service Award

The President's Volunteer Service Award (PVSA) is the premier volunteer awards program, encouraging citizens to live a life of service through presidential gratitude and national recognition.

About The President's Volunteer Service Award

Now, more than ever, our country relies on volunteers investing their time and talent to resolve the most pressing issues of our times, and Americans of all ages are responding to this call to service.

The President's Volunteer Service Award recognizes, celebrates and holds up as role models Americans making a positive impact as engaged and deeply committed volunteers. The Award enables community organizations—as Certifying and Leadership Organizations—to amplify their gratitude by joining with the President of the United States to thank their most dedicated volunteers.

In 2003, the President's Council on Service and Civic Participation launched the President's Volunteer Service Award in 2003 to recognize the importance of volunteers to America's strength and national identity, and furthermore, to honor the deeply invested volunteers whose service is multiplied through the inspiration they give others.

Today, the program continues as an initiative of the Corporation for National and Community Service, managed in partnership with Points of Light, an international nonprofit with the mission to inspire, equip, and mobilize people to take action to change the world.

The Award

Presidential recognition sets you apart from your peers. It is a tremendous honor. Even though you may not seek recognition, your example can deliver a powerful message that encourages others to take action.

The President's Volunteer Service Award recognizes United States citizens and lawfully admitted, permanent residents of the United States who have achieved the required number of hours of service over a 12-month time period or cumulative hours over the course of a lifetime.

How it Works

Criteria - Individuals, families and groups that meet the criteria are eligible for the PVSA.

- Recipient(s) must be a United States citizen or a lawfully admitted permanent resident of the United States.
- Awards are issued for service hours served within a 12-month time period or over the course of a lifetime.
- Awards are issued for volunteer service only; additional levels of participation with the organization (i.e., charitable support) are not a factor considered for the award.
- Court-ordered community service does not qualify for the award.
- Awards are issued by approved Certifying Organizations.
- Service must be with an approved Certifying Organization that is legally established in the United States, the Commonwealth of Puerto Rico or one of the U.S. territories.

Eligibility

Hours are measured over a 12-month period and awards are designated based on cumulative hours. The awards are offered in multiple levels and are designed to recognize each milestone of your service achievement. Levels include bronze, silver, gold and the highest honor, the President’s Lifetime Achievement Award for those who contribute more than 4,000 hours of service in their lifetime.
